## OFFICE SUPPLIES

**1. SKILCRAFT®/Zebra Retractable Gel Pen:** Jot down notes or compose a masterpiece with SKILCRAFT®/Zebra retractable, non-refillable gel pens produced by Industries of the Blind in Greensboro, North Carolina. Designed with a latex-free, non-slip comfort grip, this pen's ultra-smooth, quick-drying, water-based gel provides a flowing, crisp writing experience. Available in blue or black ink with fine, medium or bold tip.

**2. SKILCRAFT® Multi-Function Pen:** Produced by Alphapointe, this medium point multi-function pen is specially designed to fit military uniforms. Featuring non-reflective, flat black paint on a brass-plated steel barrel, it includes black and red ink, a 0.5mm pencil with eraser and a screw-top, touch-screen stylus. Provides a 2,000 foot write-out per ink color and 10,000 swipes with the stylus. FOD and TAA compliant.

**3. SKILCRAFT® Permanent Impression Pen:** Produced by Winston-Salem Industries for the Blind in North Carolina, this pen provides a smooth and consistent writing experience. The waterproof, nontoxic ink is smudge- and smear-resistant, and won't bleed through paper. Available in fine or medium point with blue, black or red ink.

**4. SKILCRAFT® Manila File Jackets:** Ideal for organizing and transporting files, these acid-free, archival quality folders feature one-half inch high, straight-cut, double-ply reinforced

tabs for added durability and easy indexing. The closed jacket sides help keep papers and loose items secure, while the thumb-cut notch allows easy access. Constructed of 11 pt manila stock with 100 percent recycled materials, including 30 percent post-consumer recycled materials, these folders fit vertical and lateral filing systems. Choose flat, 1 inch, 1½ inch, or 2 inch expansion files in letter or legal size. Produced by the Association for Vision Rehabilitation and Employment in Binghamton, New York.

**5. SKILCRAFT® Neck Lanyards with J-Hook Attachment:** The perfect way for personnel to display identification without attaching to clothing, SKILCRAFT® lanyards with J-hook attachments measure 36 inches in length. Available in black or tan cord or strap styles, all lanyards have a slide adjuster, side release buckle for easy detachment, and a comfortable safety breakaway. Produced by West Texas Lighthouse for the Blind in San Angelo, Texas.

## FOOD SERVICE

**6. SKILCRAFT® Disposable Paper Cups:** These 21- and 32-ounce disposable paper cups produced by Lighthouse Louisiana have a moisture-resistant lining that acts as a moisture barrier to prevent leaks and weakening of the paper. The white rolled rim provides rigidity and ensures a leak-resistant lid fit, while the tapered base makes for easy stacking. Made in the U.S.A., these cups meet FDA Title 21, Subchapter B requirements.

### 7. SKILCRAFT® Squat-Style Hot Food Disposable Paper

**Cups:** Produced by Lighthouse Louisiana, these 12-ounce paper cups feature a squat profile and wide mouth perfect for serving pasta, soups and other hot liquids. The single polyethylene lining acts as a moisture barrier to prevent leaking, while the smooth rolled rim provides rigidity and ensures a leak-resistant lid fit. Made in the U.S.A. of biodegradable and compostable paper, these cups meet FDA Title 21, Subchapter B requirements.

**8. SKILCRAFT® Field Convenience Pack:** Support a small team or group of personnel in the field for several days with these food service disposable products packed in a non-reflective cardboard box with plastic handle for easy carrying. Biobased and recycled-content disposable products in the kit include 7-inch round plates; five-compartment trays; hot/cold beverage cups with lids; flatware sets packaged with salt, pepper, sugar and napkin; and heavy-duty, high-density trash bags. Produced by LC Industries of Durham, North Carolina.

## MAINTENANCE, REPAIR AND OPERATIONS

### 9. SKILCRAFT® Pro-Grade Combination Wrenches

Made of forged and heat-treated steel for extra strength and durability, these combination wrenches feature a continuous arc design that distributes applied stress over the entire radius of the open end. The 12-point box end features a 7.5 degree offset broaching that allows users to flip the end for a more advantageous grip in tight spaces. Available in a variety of sizes, these U.S.A. made, Berry Amendment compliant wrenches meet or exceed SAE Aerospace Standard 954 for 12-point fasteners, and carry a limited lifetime warranty. Produced by Industries for the Blind, Milwaukee.

### 10. Keyed-Alike Solid Body Padlock Sets

Protect valuables with these American Lock® keyed-alike steel solid body padlocks manufactured in partnership with Master Lock, the industry leader. Featuring a case-hardened steel shackle and BumpStop® technology designed to thwart theft, these brass colored locks have a zinc chromate finish and meet Commercial Item Description (CID) A-A-59486 and A-A-59487 standards. Produced by LC Industries of Durham, North Carolina, these TAA and Berry Amendment compliant locks are available in sets of 4, 5, 6, 10 or 12.

### 11. Bucket and Caddy Cleaning Kit

Clean a variety of rooms with the tools in this versatile 5 Piece Bucket and Storage Caddy Set, featuring a 4-gallon bucket, utility scrubber, all-purpose scrubber, carrying caddy for cleaning supplies and absorbent shammy towel that can be cut to size without fraying. Components nest inside the bucket for easy storage when not in use. Produced by Industries for the Blind, Milwaukee.

### 12. GOJO-SKILCRAFT® EcoPreferred Pumice Hand Cleaner

Wash away the most stubborn industrial dirt, grease and soils with this heavy-duty hand cleaner featuring pumice particles for thorough scrubbing. This USDA BioPreferred and EcoLogo-certified lime-scented hand cleaner featuring 85 percent biobased content is available in 64 ounce or 1 gallon pump bottles. Produced by Travis Association for the Blind in Austin, Texas.
