

Hot Beverage Cups

QUESTIONS & ANSWERS

Ideal for quick food service environments, these disposable paper cups are made using a moisture-resistant single polyethylene or a PLA lining which acts as a moisture barrier and prevents leaking and weakening of the paper. The white rolled rim provides rigidity and ensures a leak-resistant lid fit and the tapered base makes for easy stacking. Lighthouse Louisiana offers a variety of sizes in cold disposable cups.

ARE THE CUPS COMPLIANT TO GOVERNMENT SPECIFICATIONS?

Yes. A-A-2577B
