NIB leverages a highly trained, U.S.-based workforce of Americans who are blind to provide thousands of quality, Berry Amendment-compliant textile and apparel products to the military. These products meet exacting specifications to withstand the most punishing conditions. NIB offers the best value solutions for our armed forces.

Our value proposition to military customers

- Highly trained and qualified workforce
- Enhanced continuity and continuous process improvement through low turnover
- Tailored solutions available when and where needed
- Extensive knowledge founded on decades-long partnerships
- Reduced administrative and contracting burden allows military customers to focus on mission-essential activities
